Owners of dogs or cats with long coats boarding for extended periods of time must arrange for their animals to be groomed during their stay.

We will seek veterinary attention for your pet if we consider it necessary. We require full access to your animals medical records if we are concerned about any aspect of your pets health, or to check vaccinations. If your animal becomes seriously ill and you cannot be contacted the appropriate treatment will be decided by a veterinarian. Any expenses incurred will be paid by the pet's owner.
